Re: Confirmation of Approval — Administration and Licensing of the S&P Solana Memecoin 69 Index ("MEME69")

Dear MEME69 LLC,

We write to confirm the approval by S&P Dow Jones Indices LLC ("S&P DJI") of the S&P Solana Memecoin 69 Index (the "Index"), branded MEME69, as an S&P DJI-administered and licensed index. Following review of the proposed methodology, eligibility criteria, weighting scheme, data sourcing, and rebalancing conventions, the Index is approved for administration and licensing on the terms below.

1. Administration. S&P DJI shall act as index administrator, responsible for calculation, constituent selection, weighting, rebalancing, reconstitution, and corporate action treatment under the attached Methodology.

2. Identifiers. Index Ticker: MEME69. Bloomberg: MEME69. ISIN: XS003937195895.

3. Licensing. S&P DJI grants a non-exclusive, worldwide, royalty-bearing license to use, reference, and sublicense the Index for financial products, including ETFs, ETPs, ETNs, futures, options, and OTC instruments, subject to the Index License Agreement.

4. Distribution. S&P DJI shall support distribution of Index-linked Products through Nasdaq and other venues, providing data feeds, official closing levels, constituent weights, and rebalancing notices.

5. Listed Products. Subject to separate agreement, S&P DJI consents to use of the Index as a benchmark for exchange-listed Products and shall cooperate on registration statements and listing applications.

6. Governance. The Index shall be overseen by the S&P DJI Index Committee, convening at least quarterly.

7. Effective Date. Effective as of the Index Launch Date, December 5, 2025, and continuing until terminated under the Index License Agreement.

Sincerely,

S&P Dow Jones Indices LLC
